CONGRATULATIONS TO THE CLASS OF 1981!

Being your class advisors was a new experience for both of us. Our differences in perspective complimented each other, and we were extremely fortunate to be assigned to this class. The desire, creativity and dedication of the officers we have worked with provided direction for the class and made this a very successful and unique three years.

Together we have enjoyed the struggles and excitement inherent in the opening of a new school. We can all look back on some incredible memories:

P.E. with no showers (Phew!)

Hallways with automatic sunroof (love those rainy days)

Never sharing a locker

Picnics on the lawn . . .

Through it all you persevered, and always with a smile.

Your achievements are memorable. Athletically, academically, and artistically you have set a standard for future classes to follow.

To Robert, Tiphannie, Lynn and Diana go our deepest appreciation and thanks. The involvement and enthusiasm so many of have provided has made this class the best!

The Class of 1981 is awesome!

Respectfully,

Lynn Hackethal

1981 Graduating Class

Class of '81:

Memories and Dreams. Memories of times forever gone and dreams of tomorrows yet to be. As a senior, you stand at this crossroad. Ahead lies the unknown and unfathomable future. Believe in your self, only then can you move on to new challenges. Remember that yesterday and today seemed an impossible dream. Yet you have achieved that goal.

Your life here at North County is over, but if you learn to cherish yesterday and trust in today, your tomorrows will be an infinite chance at 100 yesterdays.

And always remember one thing will remain constant in years ahead. As a family of friends, we have reached this point together. We are the best, the proudest, and the most promising.

We are **THE CLASS OF 1981!!!**

This year's Freshmen Class had officers that started off slowly, but developed into leaders that the students had faith and confidence in. The Homecoming float, the fund raisers, the spring dance came off as well as can be expected for a Freshmen class. The advisors had a lot to do with steering the class in the right direction. Pictured from left to right, Bottom Row: Secretary — **Mary Johnson**, President — **Kim Cox**, Treasurer — **Tami McDaniels**, Top Row: Advisor — **Sherlyn Moore**, Vice President — **Randy Mendoza**, Advisor — **Mike Cappetti**. As the year progressed, Ms. Moore discontinued her role as advisor, due to the arrival of her first child. She was replaced as advisor with **Mr. Ken Berridge** who filled out the remainder of the school year.

QUILL AND SCROLL — The North County High School chapter of Quill and Scroll was formed in 1979. It is an honor society for young high school journalists. Members consist of the editors of yearbook and the school newspaper. The members participate in fund raisers to pay for the membership fee. Members — **Kim Davis, Meg Hall, Lori Dubree, Sherri Walker, Robert McKaque, Richard Medley, Kathy Schoen, Anna Fenkle, Lynn Williamson, Paula Duncan.**

The **FFA** (Future Farmers of America) was established in 1978. The purpose is to get students interested in agriculture and learn at the same time. "El Toro" and missile-toe grams are just a few of the fund raisers held by the FFA. The money helped support this club when they entered various fairs all over the county-Santa Cruz, Salinas Valley and Monterey County Fairs. Members — **Debbie Hopper, Cyndie Flores, John Butterfield, Tom Gill, Chris Stubblefield, Diana Tovey, Greg Grigsby, Roddie Rodriguez, Michael Fleming, Mark Todd, Chuck Johnson, Scott Schaper, Ed Roselter.**

BACKPACKERS — The purpose of the Backpacking club is to get who are interested in Backpacking to travel and learn about the back country of the Sierra Mountains. The first trip was made to Vogelsand at Yosemite in October. They stayed for four days and four nights. They had climbed as high as 11,000 feet. The fundraisers included a car wash, concessions at a junior high basketball tournament. Members — **Vince Pappalardo, Beth Zimmerman, Andy Rafeedie, Ms. Conley, Ms. Hackethal, Linda MacKenzie, Scott Nolan, Ruth Esteban, Mr. Allen, Myong Bo Lee.**

Deadlines! Deadlines!

What do you do when your deadline is tomorrow and the underclassman's picture company calls to notify you of a mix-up in the mail?
 What do you do when there are no more final layout sheets?
 What do you do when the grease pencils you need are misplaced . . . in the Student Activities Office?
 What do you do when you screw-up the numbering on the pages?
 What do you do when the company calls you to tell you there are pictures missing?
 What happens when you start dreaming about layout, good pictures, and copy?
 What happens once you start thinking of layout techniques when you are reading a magazine?
 What happens when you bring your sleeping bags to the Student Activities Office?
 What happens when you the yearbook staff begins to not talk to one another?
 What happens?
 You go insane! After a period of a few days . . . and weeks . . . and months . . . you practically go out of your mind!!! But with the laughter and motivation of our dedicated yearbook staff we finally finished the book, which took many hours (on vacations, weekends, nights) and worry (noticing wrinkles, grey hair, becoming grouchy).

 FELIX MARTINEZ Help with the Sports

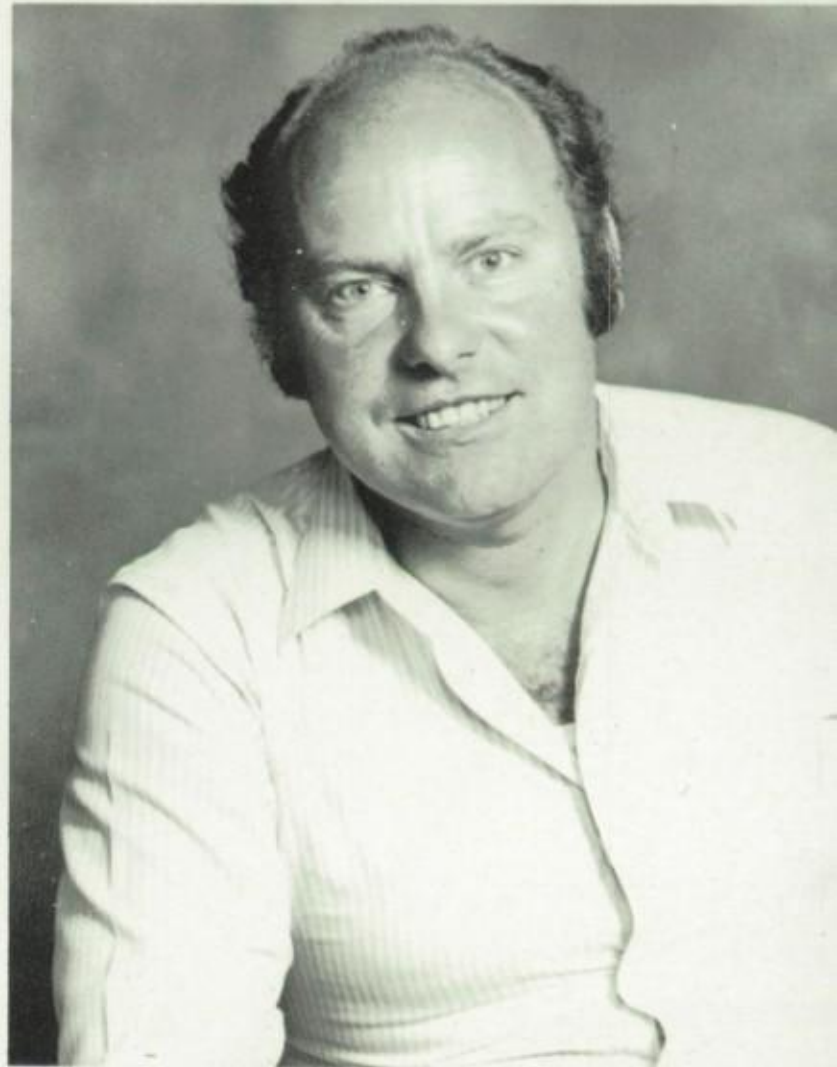

These are the members of our staff!! And our leader . . . Mr. Dale Favie-Babie who provided the yelling and screaming when needed. I never yelled . . . being the calm and patient person I am.

Our deepest appreciation to Dori's photography who's help with the yearbook staff was an asset in suppling pictures upon the staffs request. Thank you.

Through all the bickering and griping, it was a learning process as well as an educational experience. Many excitng moments occured (like when the book was finally finished), but all and all it was a one in a life time experience.

It truly was exciting and fun putting memories together within pages. The memories of a student's life . . . sports . . . activities . . . and organizations. Cherish this book like I will cherish it . . .

A.P.E.S. — The Advanced Placement Examination Student Club (A.P.E.S.) consists of students enrolled in A.P. Biology, A.P. English, and A.P. History. Due to the large sum of money these students will be paying for their college examinations at the end of the year, the club organized to raise money and have fun while doing it. If the students should receive a grade of 3, 4, 5, on a scale of 1-5, they will receive college units so they will not be permitted to take the class in college. The examination includes essays, documentaries, and many other very difficult questionnaires to answer. **MEMBERS** — Meg Hall, Larry Witham, Lisa Darty, Kelly Bell, Janet Vanderburge, Lori Dubree, Sherri Walker, Tiphonie Kaufmann, Robert McKaque, Tessie McGinn, Richard Medley, Felipe Herrera, Anna Finkl, Amie Stanton, Lane Gifford, Norwita Williams, Charles Fontana, John Dickinson, **Advisors** — Bill O'Leary, Victor Bluestone, Stephanie Smith. **A.F.S.** — The American Field Service provides a once in a life time experience for many students around the world. This year, North County was fortunate in having a student from Denmark, **Connie Lock**. As an active member of Student Body, her warm smile can be seen throughout school. She was the manager of the volleyball team. Connie was selected as the first Homecoming Queen for North County. Her host parents are **Bob and Barbara Rhinehart**. **Tessie McGinn** and **Meg Hall** went during the summer of 1980 to visit Ireland and Germany, respectively. **Amie Stanton**, another senior, went to France for a school year with a Rotary Club sponsoring her. **Members: Connie Lock, Amie Stanton, Tessie McGinn, Nora Partido, Meg Hall, Sherri Walker, advisor — Pammela Vaughn.**

This year has been a very special one for me, and you — every one of you — have been a big part of it. I have felt welcomed from the very first day I came to your school, because you have all been so super nice to me and I will *always* remember you for that. I have enjoyed going to the different (sports) games, and I really got to like football even though I didn't know what was going on most of the time. Thank you so much for your kindness, I'm really gonna miss you. I want to thank you very much for the yearbook too, because that's going to bring me a lot of funny and nice memories for the rest of my life. Thank you.

Love ya all

Associated Student Body Officers

ASSOCIATED STUDENT BODY — The student body of North Monterey County High is constantly involved and active inside the Student Activities Office as well as out. During fourth period, the Associated Student Body Officers, along with the commissioners meet to discuss and plan ideas for the school. The jobs also include passing requisitions, discussing school events and other various important decisions. The President runs the meeting with the help of active members. The officers and commissioners are elected between semesters in January. During the lame duck sessions, the vice presidents of the classes become leaders of ASB. This year, for the first time, a Nomination Convention provided delegates from each class to nominate open offices. Congratulations for a fine job.

The North Monterey County High School Band, Drill Team and Pageantry Corps had a great year. For the first time in our three year history, we had a real band that played at football games, rallies and parades close enough to North County that we could attend. Our super band was led by **Mr. Scott MacIntyre**, a first year director on the campus. **Mr. MacIntyre** provided excellent guidelines and it showed in their performances. It looked and sounded like he had been leading this group for years. The band of 1980-81 entered many parades and took many honors in their efforts. They received a first place trophy at the *Artichoke Festival parade*, fourth at the *Watsonville parade*, second at the *Newman Field Show*, second place at the *Pacific Grove Field show*, and many more. The band was directed on the field by **Marilyn Perham**, the 1980-81 Drum Major, and the Majorette was **Dee Dee Gritzmacher**. Congratulations to the Band, Drill Team and Pageantry Corps for a job, well-done. And to **Mr. MacIntyre** for showing what a band can do for the spirit and togetherness of a school, namely "CONDOR COUNTRY."

Our first-ever Drill Team did a great job for a first year squad. Most schools wait a long time for that first place trophy, but when our girls won first place at the *Watsonville Parade* in October, it was proof that hard work pays off as soon as you make your mind up to do what you have to do. The squad was led by Captain **Kelly Benadom** and Co-Captain **Josie Hernandez**. All of the girls who were fortunate enough to be on the first squad will always remember that first training camp, starting from nothing and building a program in one short year, the football games, the halftime shows at the basketball games, and of course, the tryouts with all of those sore legs. Look for the squad to grow in numbers, the good times and the honors will roll in.

Donna Enos and **Tami Larson** led the flags into fourth place at the *Newman Marching* competition. The rifle corps was honored with a third place trophy from the same parade. It was a pleasure looking out on the field and seeing the silver and black flags soaring over North County. The flags and rifle teams were represented well at Marriott's and our trip to the San Diego area for parades and reviews.

Homecoming. It was a new word around Condor Country this year as we celebrated our first Homecoming. The week was filled with food and fun and booths of all kinds. As the week went on, the excitement grew in anticipation of Homecoming Day. The big day finally arrived (Ta Da) and the whole atmosphere was excited and happy. Floats, horses, bands, Kings, Queens, Princes and Princesses all made the day perfect. All three football teams helped make the perfect day all the more perfect, by defeating all three Gonzales teams . . .

The climax of the day was the crowning of the first Homecoming King, Queen and court of North Monterey County High School. **Hector Castellanos** and **Connie Lock** were chosen as the first ever Homecoming King and Queen for North County High. A perfect day was topped off by a perfect night as a crowd over 480 filled the Forum to dance to the sounds of Black Velvet and Bubba C. Scotch. **October 25, 1980** was a day that will remain in the memories of all. Homecoming was a new word this year but it will be a familiar word in the many years to come.

Hector Castellanos doubled as middle line-backer and the first Homecoming King for North County on October 25, 1980. His active role as an athlete and his enthusiasm around school helped bring the honor to him.

Hector was nominated along with four other candidates by the Senior Class and then he was chosen by the entire Student Body.

The other four candidates were (from left to right): **Brian Liedel, Rob Mugnaini, Scott Nolan, and Ronnie Yniguez.**

.....Kings and Queens.....

Miss Connie Lock reigned as the first Homecoming Queen for N.C. She came to the United States from Denmark as an AFS student. What a way to welcome her to the United States! After a two month stay at North County High, her warm smile lit up as she received her crown.

Connie was selected from four other girls. They were (from left to right): **Vivian Caban-yog, Nikki Clare, Tiph-anie Kaufmann, and Irma Serrano.**

On December 18, 1980, the second annual Blood Drive was held at North County. This year's goal was to beat last year's record of 140 pints. Even though only 101 pints of blood were collected, the same amount of effort and enthusiasm went into the drive.

This year the Blood Drive was covered by Pete Fuentes of El Camino California on KSBW-TV Channel 8. Mr. Fuentes himself donated blood, and the camera followed him from the time he arrived at the registration table, to the time he left the canteen area. He even followed the blood to San Jose to see how they process it.

Many students, staff members and parents gave "the gift of life" on December 18th, and it will be a day remembered by those who gave blood, and those who helped.

On February 27, 1981 the forum of North County went WESTERN for the Sadie Hawkins Dance. It was turned into a Western Corral with a fence around the dance floor and a carpet of straw. Fifty couples came in matching western shirts, jeans, boots and of course cowboy hats, to dance to the country-rock sounds of **COUNTRY EDITION**.

The country sound was a first for a North County dance, but it was a very successful dance and all the people that attended this dance, will be sure to come to the next country dance at North County.

The best part of the dance was that it was a "Backwards Dance," where the girl asked the guy and she made the costume for both of them. The size of the crowd didn't matter to the people in attendance because there was no room on the dance floor and it seemed like 500 were there instead of 50 couples. For all who were lucky enough to be there, they were treated to "THE DANCE OF THE YEAR." Congratulations to the A.S.B. Commission for a great effort.

Dear _____,

This year was a real Knockout. I am so happy that I GRADUATED this year. I hope that TRICIAS WAS AS GREAT as mine was. I think, the _____ class was _____ and the _____ teacher was _____. The best games to go to at North County were the football and wrestling because of all the guys, and the best game of all was when we played King City at K.C. and we met a cool security guard. Remember the Christmas Dance when Mike asked me to dance (heavy sight!) It was the best dance of the year. The Best school activity had to be when we went to Disneyland. Our favorite thing to do on a Friday or Saturday night was to go out and get wasted & pick up on guys!!. After that, of course we had to go home. Our favorite thing to drink-smoke was 7&7-type, and our favorite place to get it was up town. Remember the time when me and Tami went to willows for the weekend. That had to be the greatest thing that ever happened to me! Or how about that time when me and Mike got it on ??? yea!! (he snuck in my bed room window) Now, that had to be the best time of the year! Remember some of the crazy things we use to say? Like, "we bad" and _____ of course "cut 'em up". Well, those were the good ol' days!! I'm glad that me, Mike and all my friends made it all the way!!!

.....Choosing the leaders

On Thursday, February 5, 1981, 93 students filled the Forum for the first ever **Nomination Convention** at North County High. The purpose of the Convention was to get two people to run for each ASB office. It gave the students of N.C. a chance to get who they wanted and to get more people interested in becoming leaders. For six hours delegates from every class sat and nominated and voted on students to run for office. The atmosphere was professional with red, white and blue decorations to give it a political look. The 1981 Nomination Convention was another first in Condorland, and will become another tradition around North County High.

a few good men

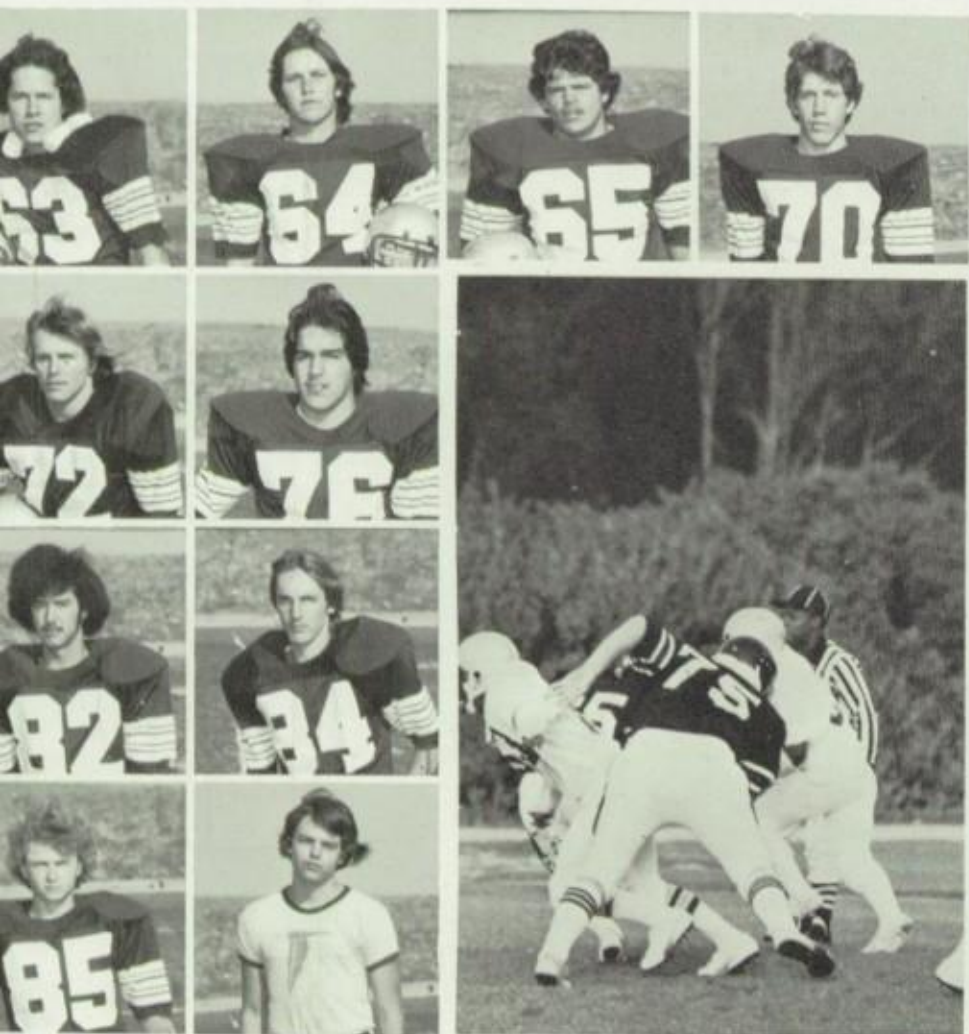

Varsity Football did it again!! MTAL league champions for two consecutive years in the three year opening of the school!! A hardworking, dedicated and spirited football team swept the MTAL with a 6-1 league record.

Receiving all-league honors were Running back — **Bobby Cobarruvias**, Linebacker — **Hector Castellanos**, Wide receiver and kicker — **Brian Liedel**. Defensive lineman — **James Moore**, Defensive lineman — **Bobby Trevino**, Offensive guard — **Anthony Kezerle**. **Hector Castellanos** also received LINEMAN OF THE YEAR in the MTAL, for the second straight year.

Determination and dedication encouraged this Condor team to further seek their goals. After capturing the MTAL, the Condors ran over SLV and also dominated Palma in the CCS playoffs of the Continental Division.

Team captains **Ronnie Yniguez** and **Hector Castellanos** led their team onto the field at Spartan Stadium in San Jose for the CCS playoffs. Quarterback **Ernie Vasquez** and running back **Bobby Cobarruvias** added more excitement with their combination of teamwork. Suffering the loss to South San Francisco, the Condors walked off the field with their heads up high with pride and dignity. **Hector Castellanos** received Lineman Defensive in the playoffs along with **James Moore** who received Offensive Lineman.

Varsity Volleyball

Last year, the Varsity Volleyball squad ended their season in the Regional IV Playoffs. This year they ended a glorious season at the Central Coast Section. Next year, State?

Coach Clark was very pleased with the improvement shown from game to game. With an undefeated league record 11-0, the Condors glittered in the gym at the Region IV Playoffs. Successfully beating Harbor and Valley Christian school, the Condors girls served, passed, set and hit like they never had done before.

As they captured Region IV, they traveled to San Jose to play in the CCS. Beating Del Mar in the first round, they felt to Los Altos and Gunn high schools.

Each girl should be congratulated for a fine season, The Condors' spikers also received their first place trophy at the Alisal High Tournament. Patti Walker, a junior playing her first year on a Varsity volleyball team, was selected on the all-league team. Her setting, hitting, and serving abilities dazzled the audience. Cheryl Lonero, another junior, was also selected on the all-league team. Her superb sets as well as accurate serving amazed the audience. An all around volleyball player, Nikki Clare, received her second all-league nomination. Patti also was chosen honorable mention in the CCS.

With six graduating seniors, Coach Clark foresees the upcoming season to be just as fine with future varsity players being moved up.

With an 11-1 league record, **Ron Severson's** young Junior Varsity team shined heartwarmily on the gymnasium floor. Besides clinching their league title, the highlight of the season was when this young team captured the first place spot at the Alisal Tournament.

All the players were rookies with the exception of **Nora Partido** and **Stacy Robertson**. **Nora** was also the team captain.

With dedication and enthusiasm, the JV team should be well congratulated for a fine season.

Running in stride and pride

The Varsity Cross Country team had its best overall performance in the school's three year history this year. Our runners placed 2nd in the MTAL this year with the help of Team Captain **Louis Sustaita**.

This years runners should be highly ranked with returning runners next year which include Freshman **Juan Serrano**, Sophomore **Roddy Rodriguez**, **Billy Baxter**, and All-Leaguer, **Mike Searson**. Leaving are Seniors **Moises Suarez**, **Andy Rafeedie**, and **Louis Sustaita**.

The J.V. Cross Country team placed 2nd in the MTAL this year with leading runner, Senior **Richard Valderrama**. The team was consistent in its all-around team effort.

Coach Garrett praised about the tremendous, developing athletes that are showing their style of a winner on the basketball floor. Freshmen **Mary Johnson** and **Karie Robertson**, and Sophomores, **Julie Lonero** and **Diana Pfannes** were key players whose aggressiveness reflected their attitudes as fighters.

The season steadily improved from day one to the end of the season. "Here we go . . ." comments **Coach Garrett**, a teacher at Elkorn.

VARSITY —

The varsity squad . . . young and talented . . . reflected their inexperience with each and every game yet their determined attitudes kept their desire thriving far more than what they have. Senior **Annie Goulart** and Junior **Cheryl Lonero** lead the squad with 16 points and 13 point averages, respectively.

Carolyn Payne, 5'9" was the tallest player on the team. **Coach Martin** and **Marks** foresees a mighty future with the young talented squad.

The Varsity Boys' Basketball team impressed the crowd with their motivated team spirit. The enthusiastic attitude each member reflected during the season can be contributed toward their goal as a team.

At times, the varsity squad faced rough competition including R.L.S. and Hollister, yet together they built up their spirits to help overcome their competition.

Nate Hatten, a second year all-leaguer astonished the audience with his dazzling offensive dunks and defensive strategy. A 6'4" center, **Nate's number #33** was retired in the ceremony of the night the Gymnasium was dedicated. Seniors also receiving honors were **Luis Susiata, Scott Nolan** and **Gilbert Cortez**.

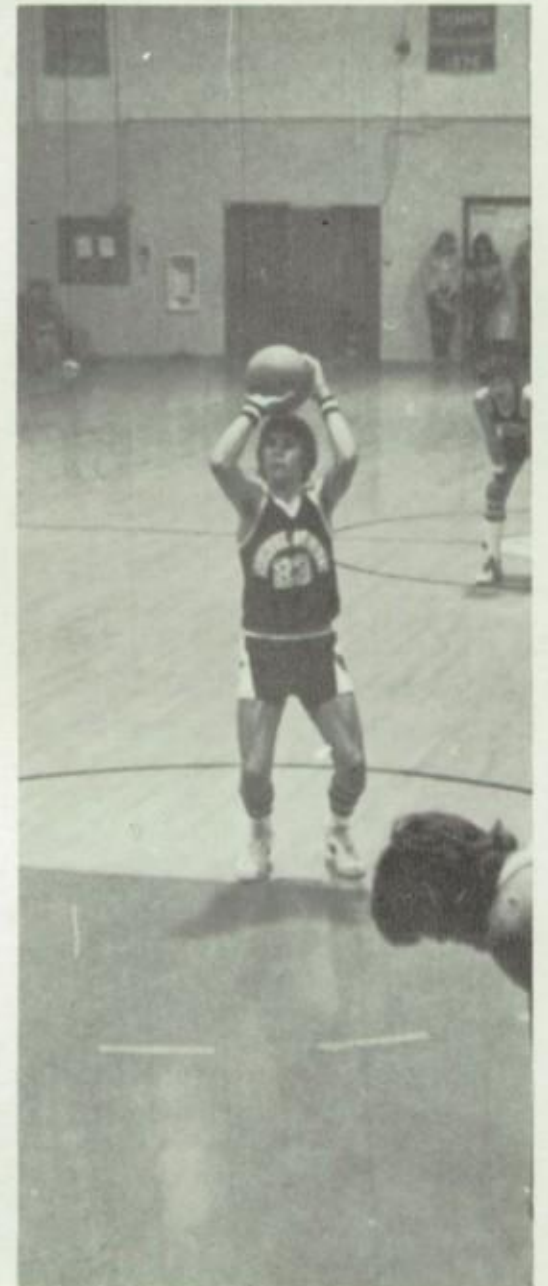

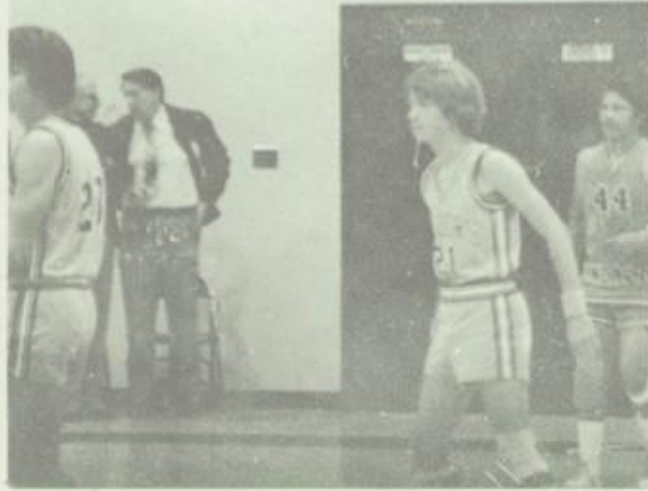

Peter Pembroke, a first year varsity member as a sophomore, sparkled the gym floor with offensive and defensive capabilities as an all-leaguer. He should be a definite asset to the future.

Head Coach Al Ferriera and **Asst. Coach Bill O'Leary** should be proud of their basketball players. Watch out next year . . . when the Condors will enter the Santa Cruz League . . .

JV's improving season . . .

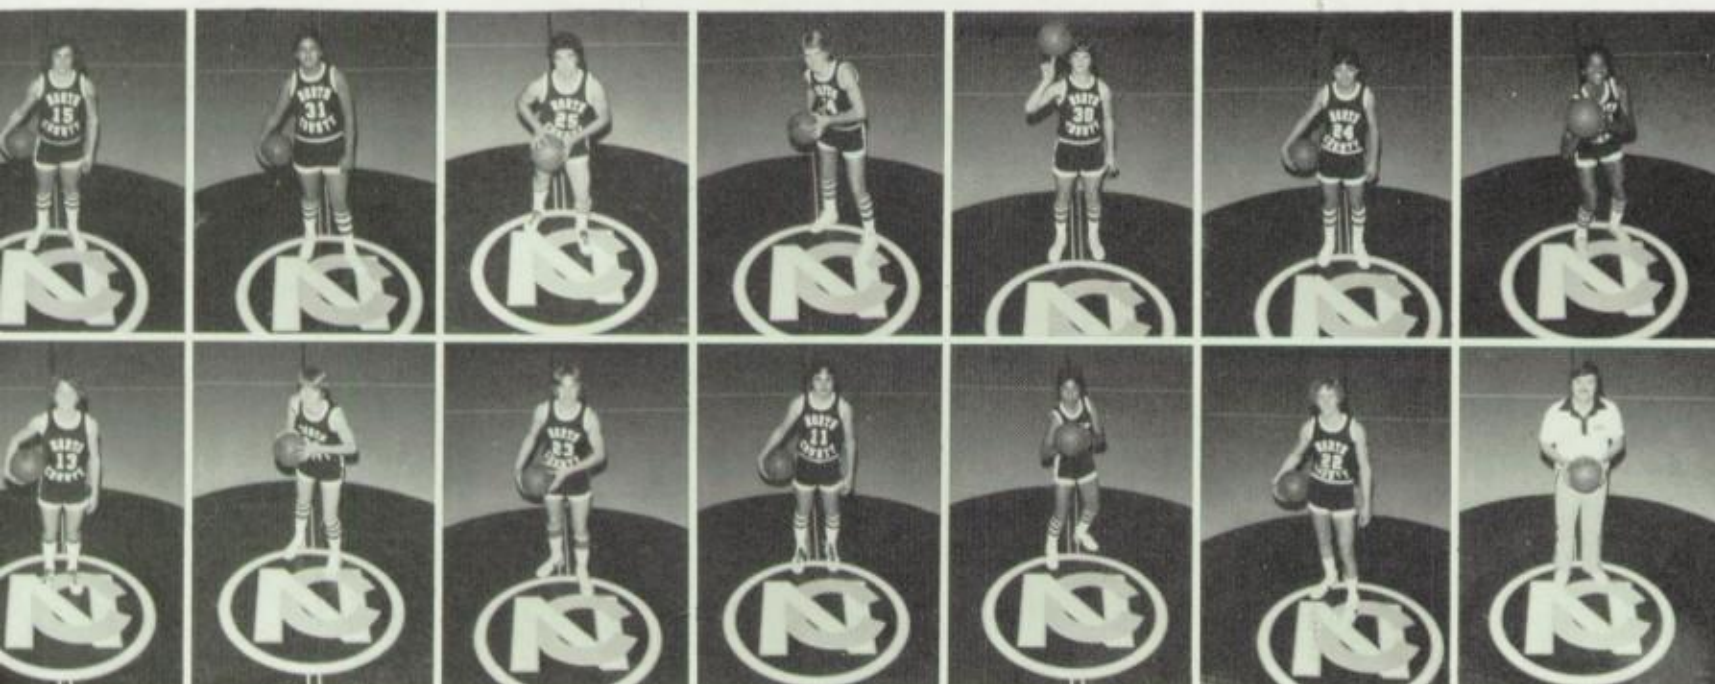

The Junior Varsity Basketball team improved tremendously throughout the season with each game coming closer to their goal as a team. They achieved great pride in winning four games out of the last five of the season.

Coach Jack Allen comments on the high quality of inspiration this talented team possessed. **Chad Gentry** and **Russ Grube** provided the leadership necessary for the young squad.

Coach Allen foresees high hopes for the future Varsity members. Their determinations and great potential are vitally important for a team and this is one of the qualities that the Junior Varsity Basketball team of 1981 had.

The 1981 Varsity Wrestling squad earned their right to be #1 for the second consecutive year. Except this year they furthered their expectations not only receiving nine first places in the M.T.A.L. Championship, but also achieving the honor of reaching six individuals to the Central Coast Section Wrestling Championships.

Taking first in Regionals were Moises Suarez (106), Joe Torculas (114) and Hector Castellanos (202). All three gentlemen were seniors. Carlos Castellanos (157) received second in the Region IV Tournament along with Herby Marquez (100) and Ronnie Yniguez (187) came in third place. Greg Huneke (134) contested with a fourth place win.

The success of the Varsity Wrestling squad can be commended towards the unity of the individual members. Their high spirits and great team work combined beautifully to achieve their goal . . . TO BE #1.

Coach Carocci and **Asst. Coach Dean Lines Jr.** should be congratulated for coaching these gifted athletes to where they are. The Big Black Machine conquered!

The J.V. squad followed the shadows of the Varsity, receiving first place in the MTAL.

With the effort of Bobby Cobarruvias, Steve Carrillo, and Mike Wylie, the Condors easily managed to take the MTAL Championship.

Language Arts

An instructional leader for the department of Language Arts, **Stephanie Smith** graduated from Cal State Long Beach. Her interests lie in reading, writing, and most of all, wandering. A sponsor of CSF and APES, she comments "Nothing succeeds like excess." (Wilde)

This is the third year of teaching at North County for **Jack Allen**. It is his eighth year in the district. A graduate of UCLA, he enjoys backpacking, reading and learning about history. "There is nothing more sophisticated than simple innocence" (Newhardt). He is involved with Backpacking Club and is also frosh-soph basketball coach.

Philip Keith Condon's activities at NC include being the Head Track coach for the Boys and Boys' Cross Country. He attended Long Beach State University. During his time off, he runs and lifts weights. Snowskiing and sailing are other hobbies he enjoys.

"If you can't stand the heat, get out of the kitchen" replies **Lucia Garcia**. A sponsor of MECHA, she reads and swims during her time off. She graduated from De Anza College before her entrance to San Jose State University where she received her MA degree.

Julie High received her education at UCLA, the Universite de Bordeaux, and Universite de la Sorbonne. "This is a great time to be alive" she comments. She is active with the French Club at North County.

With a love for learning about Mexico's history and the struggle for Independence, **Norma Linda Nava** enjoys teaching her Spanish Classes. She attended Pam American University in Texas and the University of California Santa Cruz. **Ms. Nava** is involved with "El Mariachi Mixtlan," a local mariachi group made up of teachers of the Monterey and Santa Cruz area.

A first year teacher at North County, **Francisco Ponce** enjoys writing and dancing. **Mr. Ponce** is a graduate of the University of California Santa Cruz. He is assisting with the soccer team and he is actively involved with Club Amistad here in Condor Land.

Mr. Michael Powlen is in his third year of teaching at North County. He received his bachelor degree from Temple University in Philadelphia, Pennsylvania. Running, gardening and thinking are hobbies that he turns to in his quiet times. "The leaves decay, the leaves decay and fall, the vapors weep them burthen to the ground, Mom comes and tells the fields and like beneath, and after may a summer dies the swan," is one of his favorite poems.

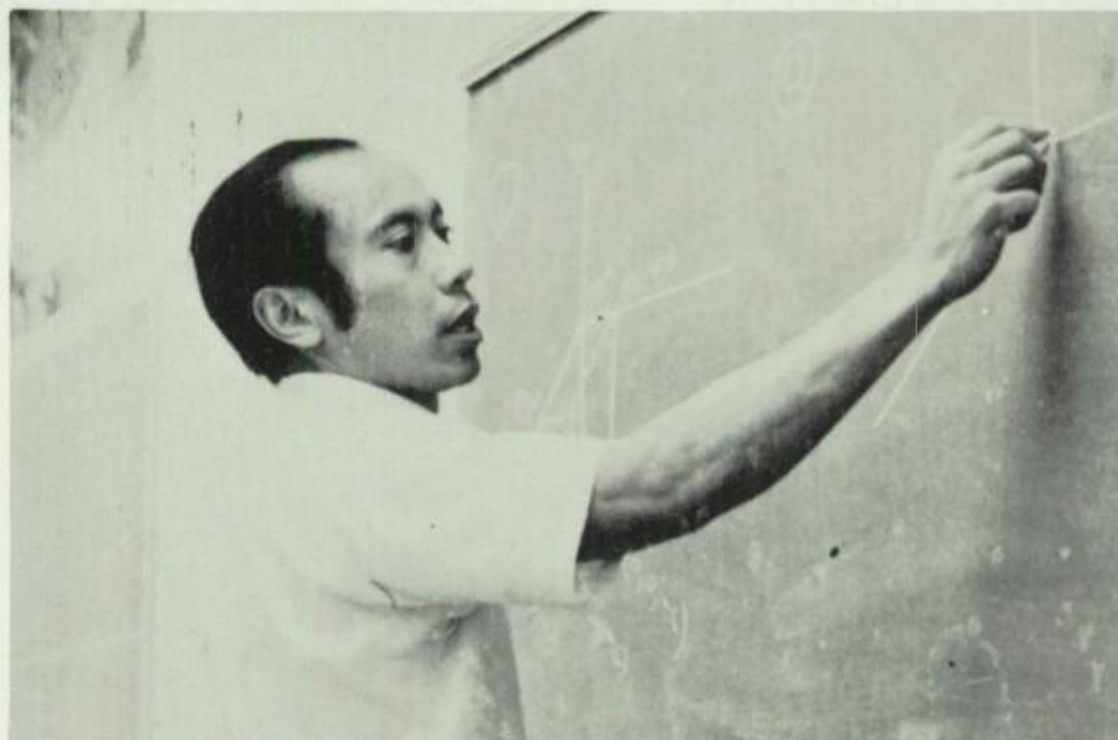

Collecting Steinbeck literature, water skiing and writing are just a few of **John Simpson's** interests. He is a graduate of San Jose State University. "When you have nothing to say, take less than 15 minutes," he writes since he is a sponsor of Forensics and Debate. He is also a track coach at North County.

Pamella Vaughn graduated from the University of California at Riverside. Her graduate work was at the University of California Chico. Some of her hobbies include jogging, needle point, playing the piano, and working with crossword puzzles. She is an active sponsor of the A.F.S. (Foreign Exchange) club on campus.

Larry Souza (Mr. Coach) comes to us fresh from that little desert community of Borrego Springs, California. Teaching English is his job at North County, but he is very active outside the classroom with athletics. He was an assistant in both football and baseball and his teams played very well this year under his guidance. **Mr. Souza** is married and lives right here in Castroville.

Social and creative

Neil Agron is the instructional leader of the Social and Creative Arts Department at North County. **Mr. Agron** received his Bachelor of Science Degree from U.C. Berkeley and continued his education at the Illinois Institute of Technology. A fan of flying, sailing, and scuba diving, he enjoys other various exciting hobbies as well. **Mr. Agron** lives in Pacific Grove with his son **Peter**, who attends rival Robert Louis Stevenson School in Pebble Beach. The youngest member of our staff, **Mr. Ruben Donato** hopes that his first year at North County is a sign of what lies ahead of him. **Mr. Donato** graduated from U.C. Santa Cruz, and is now taking graduate studies at San Jose State University. As well as coaching football, he includes weightlifting, jogging, reading and starting to write a novel as a large part of his life. If he stays here long enough he would like to get enough interest in the North County area to build tennis courts on the campus and build a tennis program here that will be the best around. (Editor's note: Good luck, **Mr. Donato**)

As a Sophomore Class advisor, **Mr. Steve Hirt**, a first year teacher at North County, finds it difficult to find time to keep up with the things that keep him going, namely distance running and reading just about anything. **Mr. Hirt** is married and lives in Salinas, and teaches English on campus.

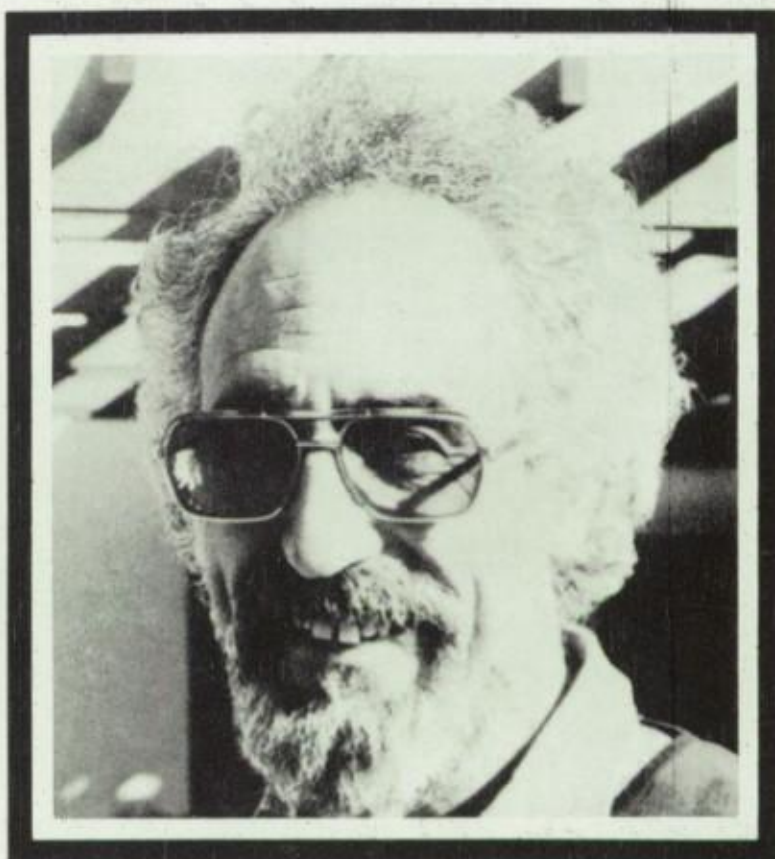

The sponsor of our Art Club, one of our art teachers, **Mr. Dean Lines** enjoys painting, photography, gardening and camping. He coached the first-ever J.V. football team this year and found the experience very enjoyable. **Mr. Lines** received his teaching degree from California State University at Northridge. He is married and the father of four children, one of which coached the J.V. wrestling team this year, **Dean Jr.**

Our Marching Band Director, Symphonic Band Director, Drill Team adviser, Pageantry adviser, guitar teacher, and general all-around helper-in-need kind of teacher, **Mr. Scott MacIntyre** is in his first year of teaching at North County. He graduated from Long Beach State University, is married and lives in Salinas. **Mr. MacIntyre** is a collector and raiser of saltwater fish. He sends a word of wisdom to all the undergraduates by quoting: "High School is a once in a lifetime experience. Stay around and enjoy it while you can!!!!"

A teacher who has been around since the beginning of Condor Country, **Mr. Kevin Martin**, U.S. History teacher extraordinaire, received his Bachelor's degree from Santa Clara University. He also received graduate studies at Colorado State University. He coaches Girls' Basketball and formerly coached volleyball. "Get out a pencil and paper. We're taking notes," a common phrase used by this man. One of his interests is arguing about anything with just about anybody that is willing to argue. An outdoors person, **Mr. Martin** likes to take his family camping and hiking.

A Second year teacher, **Leslie Mitchell** attended San Jose State. The sponsor of N.C. Chorale, Madrigals, and Girls' Jazz Ensemble, she enjoys singing, writing poetry, collecting animals and most of all, "Drive students berserk!!!!"

Arts

Our ever-involved Drama teacher, English teacher, business teacher, **Ms. Barbara Morgan** is in her third year of teaching at North County. She is very active with the Drama Club and has made great strides with the drama productions. She has the ability to get a lot out of everyone around her. **Ms. Morgan** is a graduate of the University of the Pacific and she keeps her sanity with hobbies such as, Tai Ohi, Belly Dancing, singing and performing in shows.

Advisor for the Talon, A.P.E.S. and Quill and Scroll, **Mr. Bill O'Leary** also coaches our very successful basketball team, and when he finds time, teaches in the history section of the Social and Creative Arts Department. He attended California State University at Hayward. Reading is a favorite pastime for **Mr. O'Leary**.

A second year teacher on campus, **Angel Rivera's** hobbies include playing racquetball and rooting for the University of Southern California's Trojans, from which he graduated. He is the Head coach of the Varsity Soccer team, which has had a very successful season under his tutelage. One of **Mr. Rivera's** favorite quotes: "Those of you who think you know it all, are annoying to us that do."

"The Class of 1981 is AWESOME" comments the Senior Class adviser, **Mr. Ron Severson**. A graduate of California State Fullerton, **Mr. Severson** is a history teacher who still finds time to coach the Frosh/Soph Volleyball team, which won the M.T.A.L. championship. He is married, (Sorry Ladies) enjoys playing the guitar, fooling around with photography and most of all, eating chocolate chip cookies (with nuts)!!

Mr. Patrick Watson, a graduate of California State Long Beach, is in his third year of teaching art at North County. **Mr. Watson's** wife **Kathy**, is the Cheerleader advisor on campus. Besides art and drawing, he is an avid surfer, a hobby that takes a lot of his time, when he is not busy teaching, sponsoring the Class of '82 or sponsoring the Surf Club.

Jody Lilligren Conley has been with us for only one year since her graduation from the University of California Berkeley. An active person, **Ms. Conley** has very athletic hobbies, such as, running marathons, riding bikes, painting and backpacking. Half of her school day is spent at El Camino High.

Jonathan Shoemaker enjoys gardening, hiking, camping, fishing, and biking. He received his education at Humboldt State College. Even with a busy day full of unique challenges **Mr. Shoemaker** finds time to coach boys track and sponsor the Dungeons and Dragons Club.

Coordinato

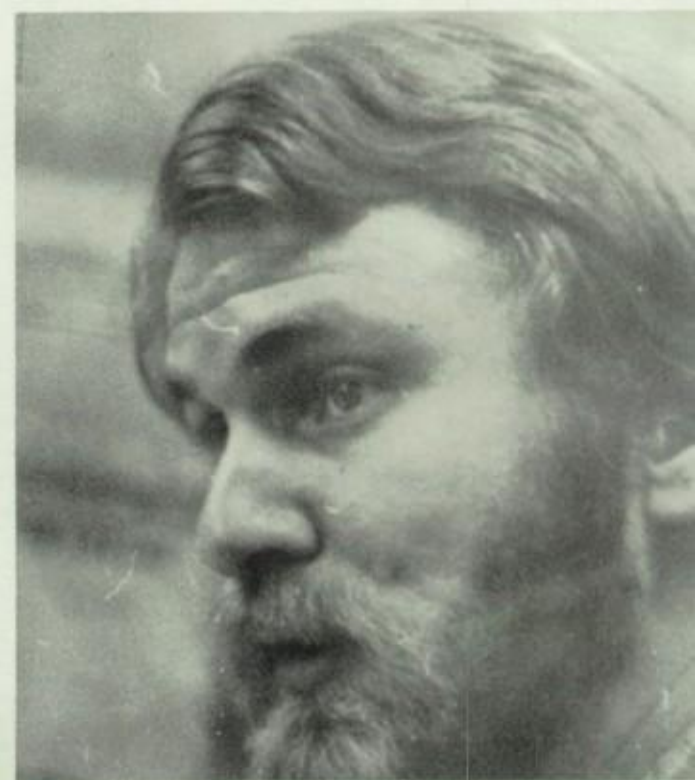

Our twelfth grade coordinator, **Mr. Gary Duenas**, received his education at Gonzaga University and San Jose State University. An assistant softball coach in the spring, **Mr. Duenas** is identifiable by his warm smile and friendly personality, always ready to be our friend. In his spare time, playing golf, dancing and listening to music seems to be his way of keeping the balance that is needed for a man who deals with the problems he does. When he walks down the halls you can be assured that you will have a warm smile and a "Have A Beautiful Day."

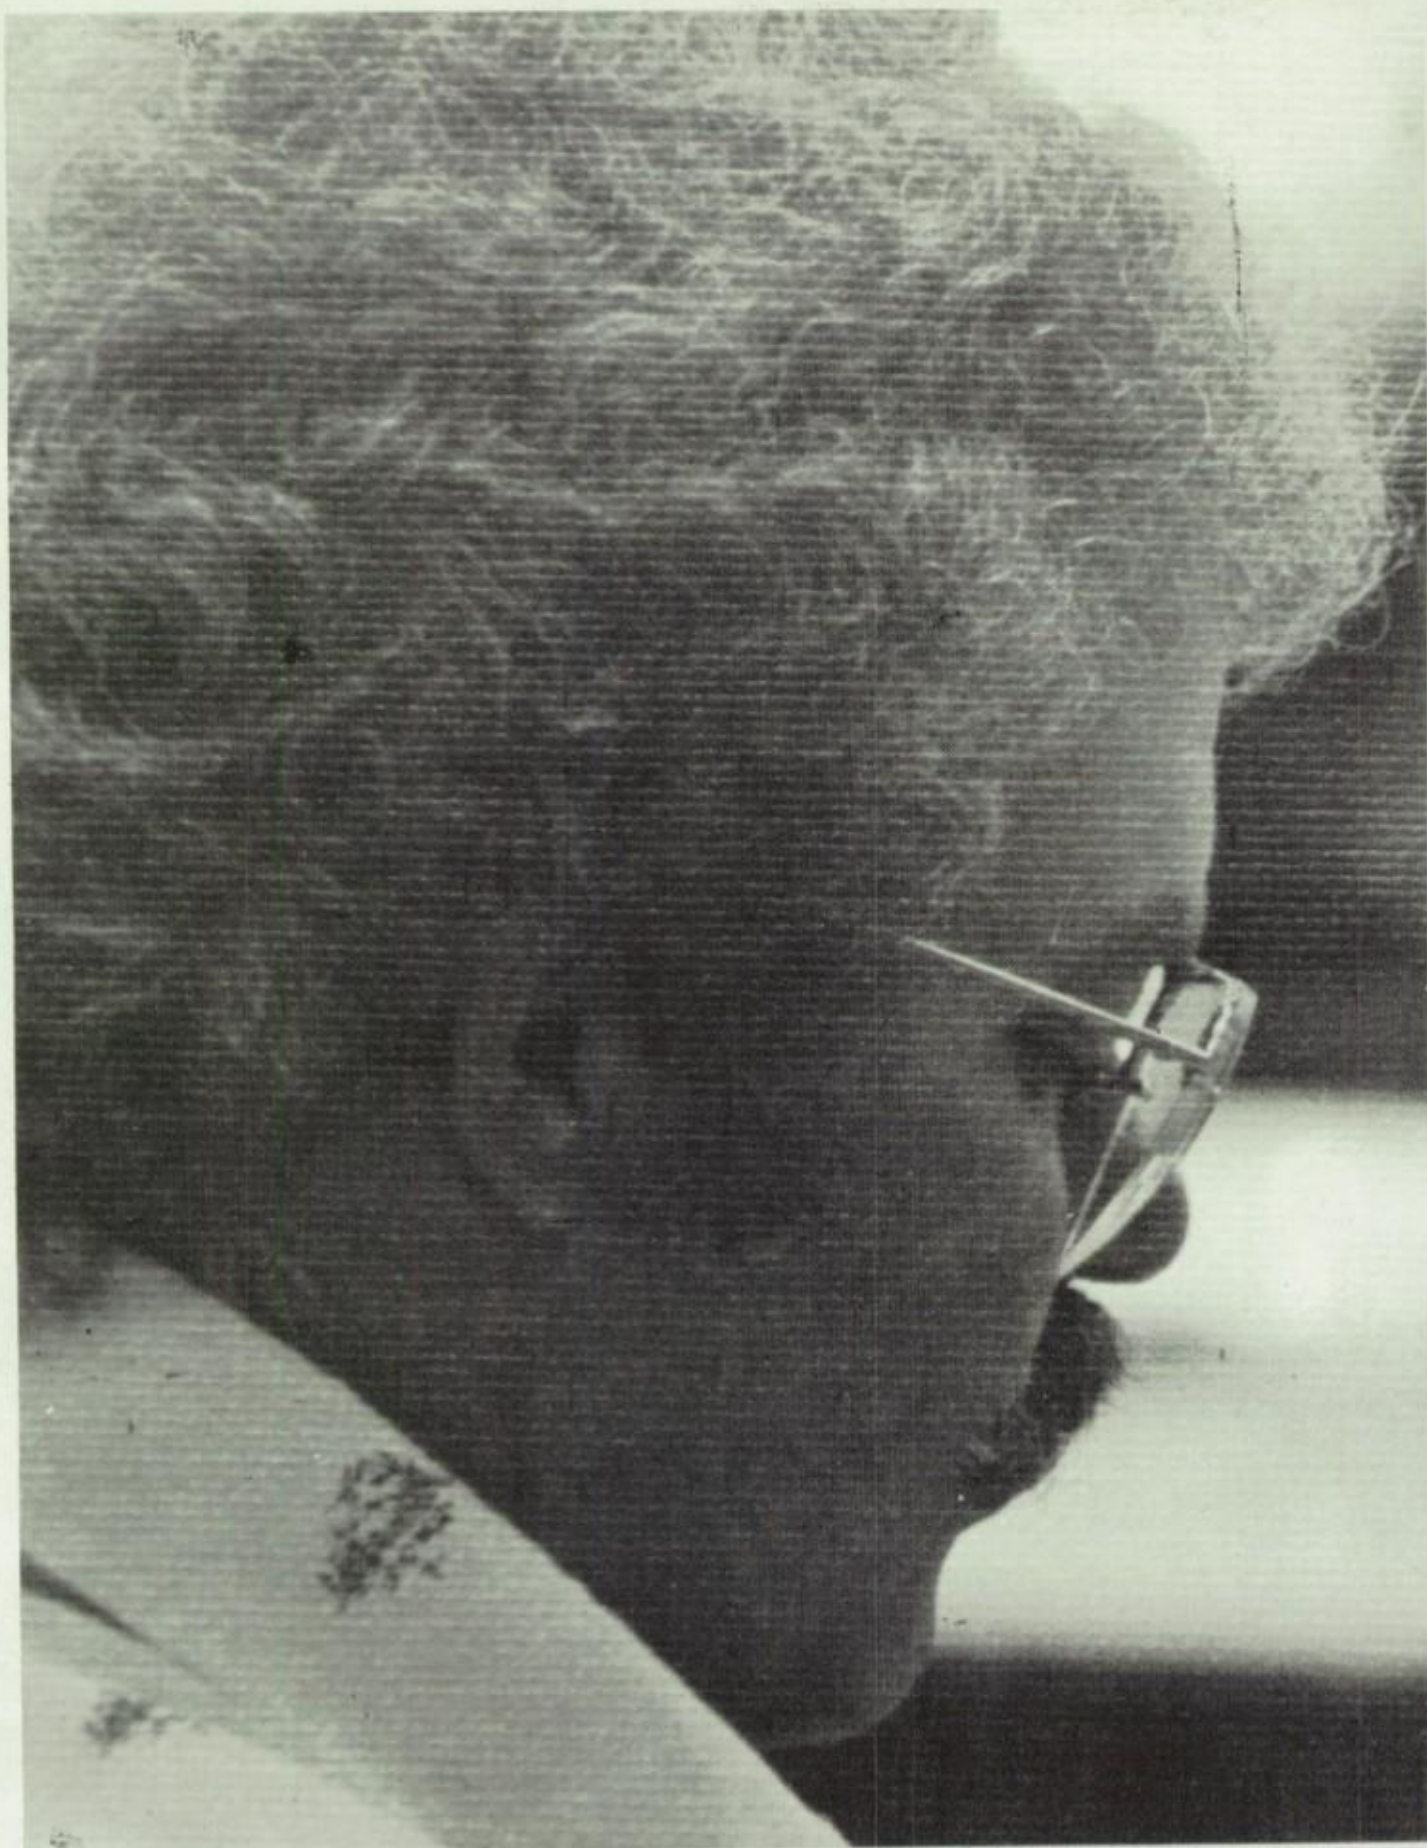

Richard Garcia, our constantly busy eleventh grade coordinator has been on the Condor campus since we first started. He attended Cal Poly San Luis Obispo where he received his Bachelor's Degree. **Mr. Garcia** sends some words to all students stepping out into the world: "The secret of success in life is for a person to be ready when his or her opportunity comes."

A fan for watching the Condors in action, the ninth grade coordinator, **Bob Chase** has enjoyed his three years at North County. A graduate of California State at Fullerton, **Mr. Chase** doesn't have too much time for hobbies. He's too busy watching the Condors play volleyball, football, basketball, baseball, etc.

Finishing his second year as a grade level coordinator, **Mr. Mel Hagio**, tenth grade coordinator, has found a home at North County. He too, attended Cal Poly San Luis Obispo. Going out for dinner and listening to good music on his stereo are some of his spare time amusements. He also enjoys taking his dog to the park or the beach and watching the sunset. He is actively involved with a variety of sports, both watching and participating.

As a Migrant Coordinator, **Murry Schekman** is the sponsor for Club Amistad, meaning "Friendship." A graduate from the University of California Santa Cruz, **Mr. Schekman** participates in a variety of sports. He was married during the school year and resides in the Santa Cruz area. One of his phrases that he lives by is: "Life is for living."

S t u d e n t A c t i v i t i e s D i r e c t o r

Dedication . . . Enthusiasm . . . Leadership . . . A few of the descriptive words for our **STUDENT ACTIVITIES DIRECTOR, Mr. Dale Favier**. His total involvement in the student government and the student activities program is precious to our high school. Mr. Favier received his Bachelor's degree from Northeast Missouri State University and taught for fourteen years before coming to Condor Country. He was out of teaching for six years working as a self-employed businessman.

As an active member of the student life on campus, he can be heard in the yearbook class, which he is the advisor, as saying "Get to work" every so often (like every day). In the leadership class he can be heard saying to the A.S.B. Cabinet: "Be a Leader."

The students of North County can be thankful for such an energetic Activities Director, which is not found in very many high schools. He is always ready to solve somebody's problem. **Our one of a kind — Mr. Dale Favier.**

David P. Tansey

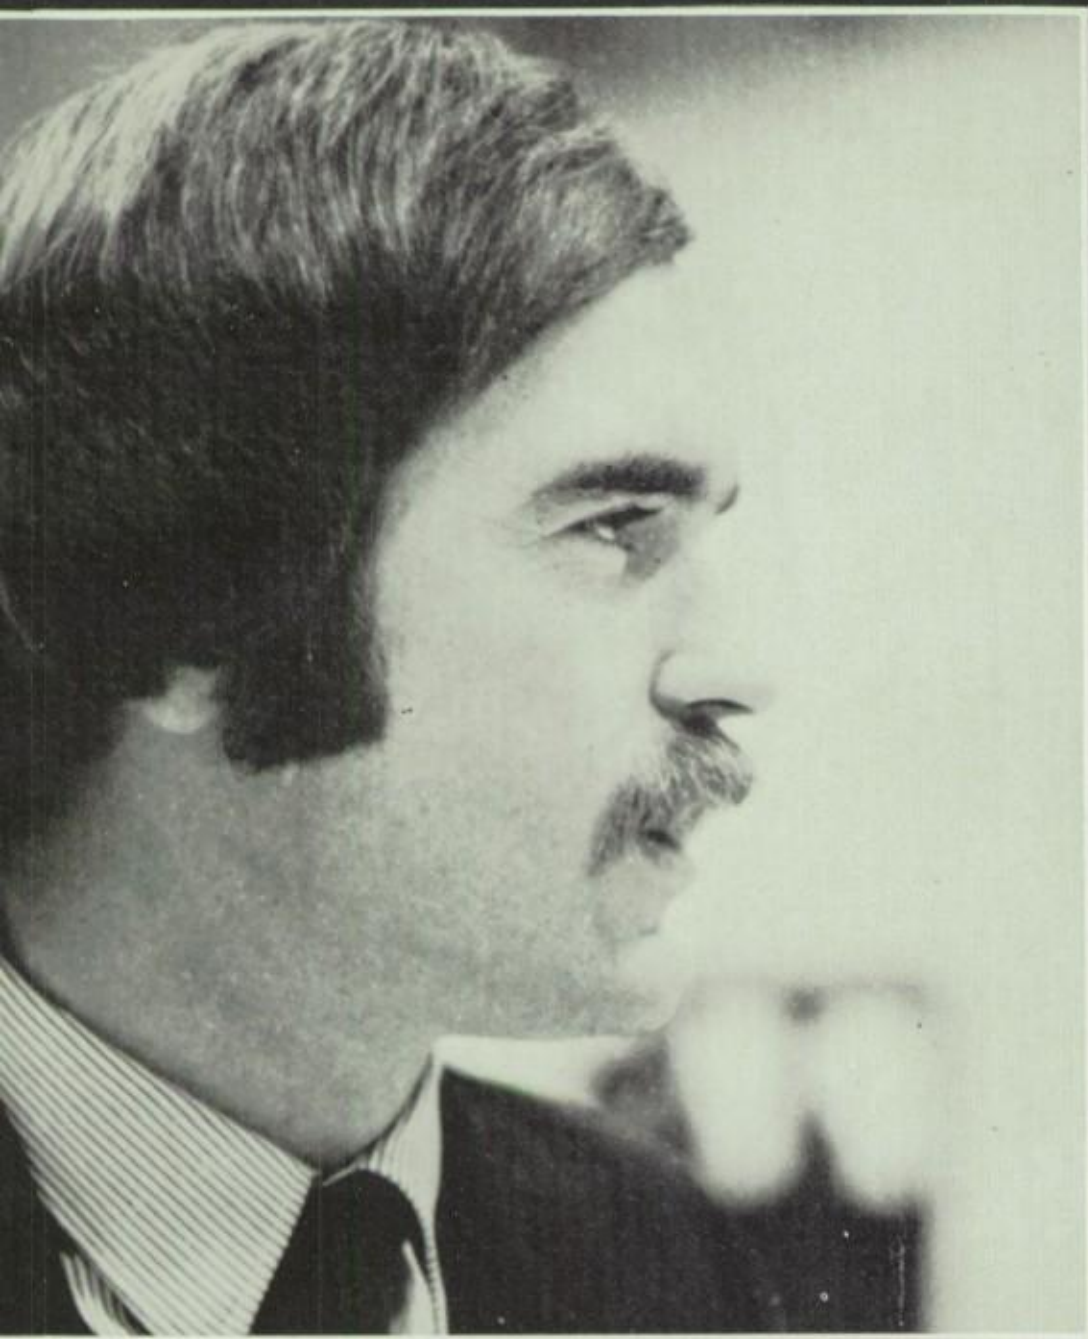

DAVID P. TANSEY — the one and only. On the night of 20th of February prior to the Boys' Varsity Basketball Game against the Gonzales Spartans, our Gymnasium conceived a new name — **DAVID P. TANSEY GYMNASIUM**. In response to his hard work and unselfish efforts to help build the facilities of North Monterey County High School, the student body with their sincere appreciation dedicated the gym to a teary-eyed David P. Tansey.

The superintendent during the birth of the Condors has served this duty well during the past four years before his transfer to Berkeley. His inspiration and exertion shall never be forgotten.

Frank Lynch, vice-principal

Our first year Vice Principal, **Frank Lynch**, attended Santa Clara University to receive his BA in English. After teaching in the San Francisco Bay Area, he moved down to the Carmel Valley where he taught for seven years. He was the Vice Principal at Carmel High School before his stay at Condor County.

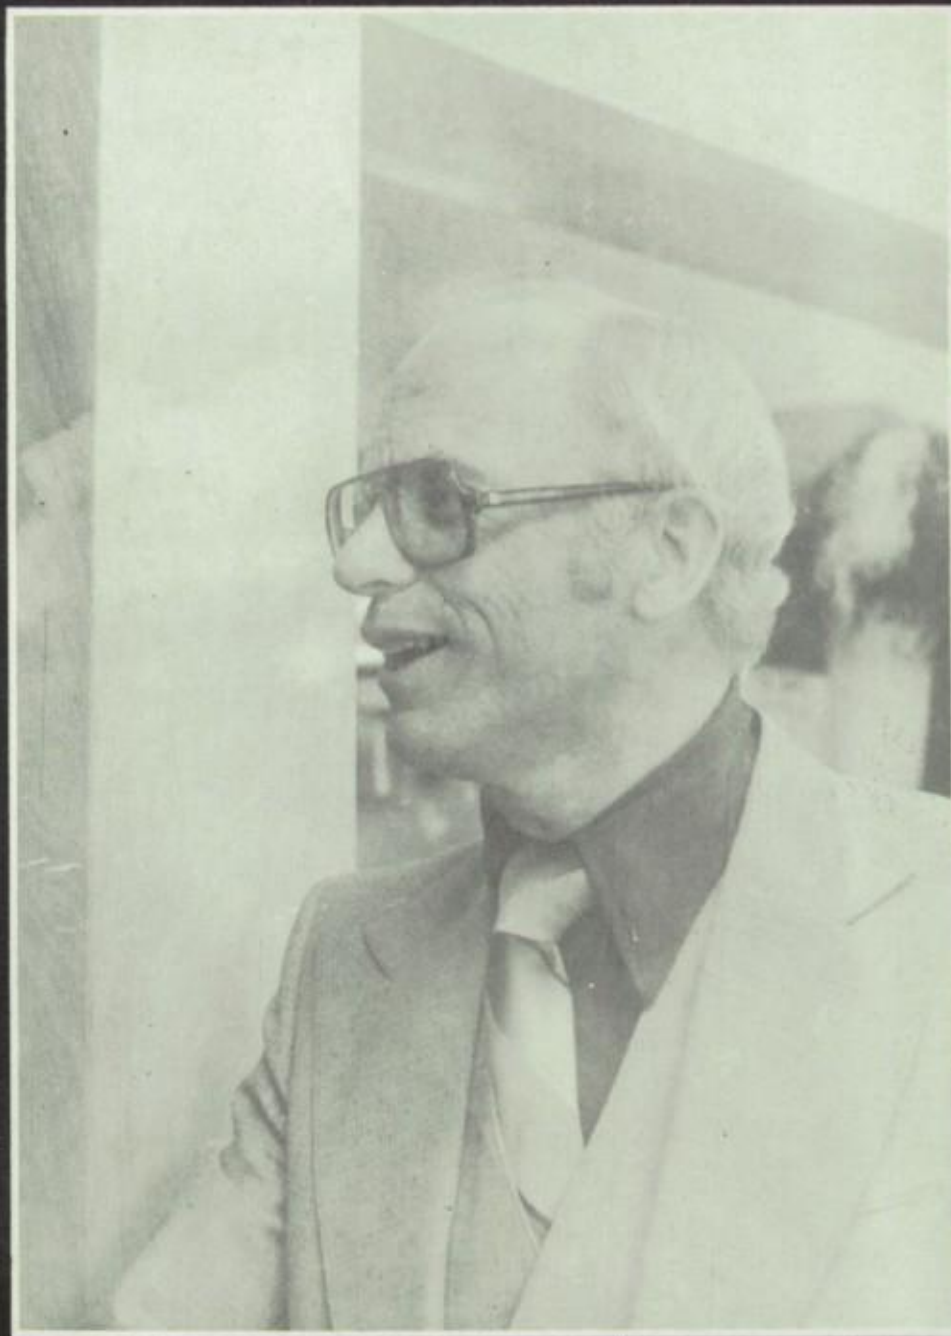

His wife, **Molly**, is a school nurse in the North Monterey County School District. He also has a son, **Sean**, 10, and **Katie**, 20 months old.

"What you put into life is what you'll get out of it," replies the athletic director. He enjoys playing tennis and writing short stories during his spare time. He also enjoys making beer and wine.

"A good energetic and appreciative student body along with the successful faculty combines to formulate one of the best high schools around" comments **Frank Lynch**.

Mr. Walter Holmes — our Chief Condor. Throughout a normal school day, Mr. Holmes wanders the campus seeking new friendships and reviving old ones. His interest to help students is shown from his enthusiastic and eager attitude. A fan of Condor Athletics, he can be seen at volleyball games, basketball games, and other various sport meets cheering the championships on.

Since the birth of the new high school on the 23rd of October, 1978, Mr. Holmes has contributed a great deal in the school spirit through his associations with student and staff members.

In and around **North Monterey County**, one can find various activities which contribute to the growth and respect of the three year old high school. From Region IV Varsity Volleyball Champs to the reign of the first Homecoming Queen and King, between CCS Continental Champs football squad to the North County Band honors, even further to exciting basketball games and the involved student body **NORTH MONTEREY COUNTY IS HERE TO STAY!**

The area of North Monterey creates a unique atmosphere — a mixture of Prunedale "Aggies" to the Moss Landing fishermen (and women), the Oak Hill's residents combined with the artichoke center of the world, Castroville.

An aspired staff combined with the student body creates one of the best schools ever — in everything and anything!

Trying to maintain my sanity throughout the year, the product is finally finished!! What a relief! The Rookery of 1981 captured more than memories — it captured the life and times of North Monterey County High School.

While setting goals and ideas, the yearbook staff reached their destiny and combined the long hours of work with a little bit of humor that kept our motivation going.

The originality and creativeness can be attributed towards the members of our staff — Felix, *sports editor*, Cammy, *activities editor*, Richard, *underclassmen editor*, and last but not least, my sister, Patti, *organization editor*. My special thanks to the photographers who worked long hours printing and developing pictures upon the staff's request. — John Hudson, Andy Duncan, Ray Pina.

The laughter and hard work behind the student activities office shall never be forgotten. Many thanks must go to Mr. Dale Favier (Favie-Babie), who's patient and dedication can never be replaced. (Thanks Mom and Dad for suffering with yearbook layouts, copy sheets, pictures, final layouts, and other miscellaneous yearbook belongings scattered all around the house from day one, onward.)

After 444 Days of Captivity

For fourteen months, Americans have ridden an emotional roller coaster of high hopes and agonizing disappointments. It is now over . . .

It all started on November 4, 1979 when four hundred Iranian students invaded the United States embassy in Teheran and held sixty-two American hostages. "Death to the Shah and Carter" chanted the Iranians. President Carter in response cut off direct American imports of Iranian oil and froze Iran assets being held in the United States. Ayatollah Ruhollah Khomeini released eight blacks and five women due to their "oppressed" inferiority.

The Shah entered the United States before his stay at Panama, from where he traveled to Egypt.

With threats from Iran announcing the hostages will go on trial, the rescue attempt by an American commando team failed after one helicopter collided with a transport killing eight Americans. They were leaving after President Carter called off the mission. Secretary of State Cyrus Vance resigned in protest of the raid.

On July 11, 1980, the Iranians released Richard Queen, 28, who was found to have multiple sclerosis. Two weeks after his release, the Shah died in Cairo at the age of 60.

Before the Shah's death, the Iranian militants wanted the Shah returned with the assets yet after his death, they replied that the "death has no bearing on the situation."

September 22, 1980, Iran and Iraq clashed on the battlefield. With accusations from Iran implying that the United States was behind the plot, the U.S. responded with a neutral attitude toward the war.

After a period of negotiations, the Algerian "intermediaries" carried messages between Iran and the United States. Finally the negotiations were agreed upon — the Iranians would receive 3 billion dollars instead of their original request of 27 billion dollars.

Families of the hostages were overjoyed, the public was thrilled and most of all the ex-hostages would be back into AMERICA.

Once they arrived in Germany, their astonished stories of their mistreatments were revealed. Games of Russian Roulette were played with some of the hostages. A "Gestapo raid" was held every so often. Some received solitary confinement for 350 days. Cabbage soup was their breakfast . . . and lunch . . . and supper.

Psychologist replied that one fourth of the fifty-two hostages, fifty white males, one black male and two white females, were suffering severely from their experience in Iran. About half of the former hostages were suffering minor damages with the remaining needing some sort of help to adapt themselves to the world of freedom again.

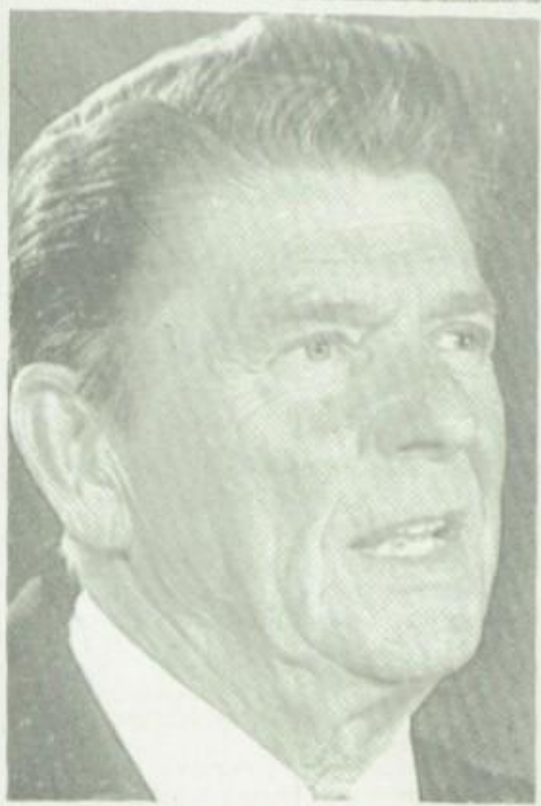

Freedom!

Ronald Reagan sweeps 1980 presidential election . . .

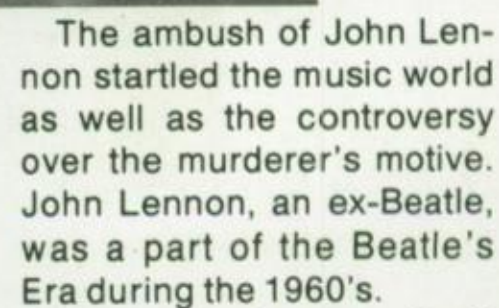

President Ronald Reagan overpowered ex-president **Jimmy Carter** in the campaign of the 1980 Election. Predictors prior to the fourth of November announced a split between the two which would eventually enter the voting in the House of Representatives. But what happened??!!

The duties of President Reagan include dealing with the deteriorating economic situation, and the consequences of Iran's foreign policy. With his strong leadership ability and potential, the next four years should be interesting with regards to foreign and domestic policies.

Ex-Beatle Slain . . . John Lennon

Yoko Ono

The start of a new "fad" — the style of hair, the clothes, the music — Beatles provided the world through their music, an understanding of love and life.

The Beatle movement started other movements after their stardom. Their music lived on!

John Lennon's death was regarded as an execution — once he stepped out of his car . . . he was shot to death in front of his wife, Yoko.

Cindy,
Have a great
Summer. Good
luck in the future.
See ya later.
Love,
Mike W.

This year was a year to remember in many ways — the trends of many new beginnings and the tragedies of many endings. The year 1980 was filled with issues and controversies which carried onto the 1981 year.

The registration for the draft reflected various responses of the American Society. The issue of registration was concentrated heavily on. The question arose whether the females should also sign up like the males. The responses for "yeah! Let's go!" to "Women are feeble and won't be able to handle such pressures" formed controversies within society. In and out of arguments, just remember that Congress has the power to enact women to sign up for the draft anytime, with or without the consent of the E.R.A.

From the fashions of green fatigues, the 1980-81 year also provided another trend of fashion. The "name brand Jeans and a tweed blazer replaced the old image of faded holey jeans and a tee-shirt. The "collegiate" look with the argyle socks and bow ties to the "sophisticated" look of a velvet blazer and high heels contributed to the new look of fashion. The 1940's relived their clothing style during the

1980's with the padded shoulders and spiked heeled shoes. Maybe in forty years from now, the 1980's fashion will relive their style.

Cheryl Tiegs sparkled magazine covers during the 1980's with her "clean" and "natural" look! "The less makeup the better" replied high fashion models. The curly perm look was "in" gradually replacing the straight, natural look.

Every four years, a universal event which unites the world's best athletes fight and compete to earn that honor of being #1. But the 1980 year was one year that steered a different shift resulting in a "boycott" of the 1980 Summer Olympics held in Moscow. President Carter, enforcing his strict foreign policy: besides cutting off grain imports to Russians reinforced his strong feelings about Russians intervention in Afghanistan, by stopping the American athletes to compete in Moscow.

As the year comes to an end, this year was the CLASSIC of CLASSICS. It's events, controversies, and traditions provided the 1980-81 to be an exciting yet sorrowful years.
